Category: Analysis

Mariel Creo, legal director at Citigroup Global Markets, and Paola Lozano, partner at Skadden, discuss opportunities in M&A in distressed assets in Latin America.

- Latin America has challenges, social and political turmoil, but if also offers plenty of opportunities when you understand the cyclical nature of the region.
- As an international investor, you need to find the right advisor: technical, legal, financial, and people on the ground.
- Law firms in Latin America have phenomenal expertise in many areas and are very talented.
- Know your client and your client´s business and its risk tolerance, that´s critical for a legal advisor .
