This new series of top-level events, in-depth articles, reports and interviews appearing both online and in print was launched by Iberian Lawyer on its 10th anniversary in 2015.

The Latin American Lawyer serves as a bridge of communication – and a high profile platform – for leading law firms and multinational clients in Latin America, Europe, the US and Africa. It will broadcast, communicate and educate through the provision of relevant market intelligence and content to international investors.

For our first e-alert we bring you a round-up of the latest deals and other news in the Latin American legal market including [Carey](#) and [Philippi Prieto Carrizosa & Uria](#) advising on a Chilean insurance deal and GE instructing Creel in connection with the sale of its Mexican leasing platform. On behalf of everyone at The Latin American Lawyer and Iberian Lawyer, I would like to wish you all happy holidays and a prosperous 2016.
