Bronstein, Zilberberg, Chueiri e Potenza Advogados advised Brazilian big data giant Cortex that has raised BRL260 million in its Series C round, led by Lightrock and counting with Softbank and Riverwood.

Bronstein Zilberberg advised Cortex and relied on partner **Pedro Chueiri** (pictured), associate Larissa Machado, Flávia Kasai, Lucas Noleto and Paloma Batt.

Cescon Barrieu advised Lightrock, a global private equity platform and relied on partner Ana Carolina Castro Reis Passos and associates André de Cazare Bertella, Thais Nascimento.
