Carey has assisted Agroveen Agricultural, a Nuveen (TIAA) company, an agricultural asset management business, in the due diligence, structuring and negotiation for the acquisition by Río King of three productive farms of more than 380 hectares for approximately US\$32 million.

This transaction was closed on 28 October, where Cariola Díez Pérez-Cotapos advised Río King.

Carey's team consisted of partner **Alberto Cardemil** (pictured) and associates **Vicente Güell** and **Ignacio Echeverría**.
