Cariola Díez Pérez-Cotapos has assisted Chilean fintech specialising in financial information technology, Datamart, in raising US\$6.3MM in a seed round.

The transaction, closed on 16 February, also involved due diligence and corporate and tax matters. Shearman & Sterling acted as US counsel to Datamart.

Winston & Strawn also acted as advisor on the transaction, while Moonvalley Capital acted as financial advisor. Following this round, [Banco Santander](#), [Grupo Falabella](#) and [BICE](#) became investors.

Cariola's team comprised partners **Rodrigo Lavados** (pictured left) and **Javier Cerón** (pictured right), together with senior associate **Francisca Salas** and associates **María José Reyes**, **José Tomás Espinosa** and **Brian Bustos**.
