**Chalfin, Goldberg & Vainboim Advogados** announced the launch of an area focused on health law, which will be headed by new partner **Henderson Fürst** (pictured)

Focusing on Biodiret and Bioethics, the area aims to provide specialized services to this market sector, with a focus on regulatory impacts, risk prevention, and promotion of the segment in the country.

Henderson Fürst is Doctor and Master in Bioethics and Doctor in Law from PUC-São Paulo, professor of Bioethics and Law of Health Organizations at Hospital Israelita Albert Einstein in São Paulo and of Constitutional Law at PUC Campinas.

He also chairs the Bioethics and Biodiret Special Committee of the Brazilian Bar Association of São Paulo.
