Daudt, Castro e Gallotti Olinto Advogados relies on expert advice from Mauro Paoletti to expanded its activities in preventive Tax consultancy

Daudt, Castro e Gallotti Olinto Advogados expanded its activities in preventive Tax consultancy. The area now relies on expert advice from **Mauro Paoletti** (pictured), a lawyer and accountant with over 30 years of experience.

The partnership with the expert will be complementary to the firm's services, focusing on technical accounting consultancy. Mauro holds a master's degree in Controllership from Universidade Mackenzie and has a long career in the automotive industry, working in the Financial and Tax areas, including advisory, litigation, compliance, credit recovery and inspection assistance.
