dcom - Drumond Dias Cunha Oliveira Milagres Advogados started 2023 in new headquarters.

The new facility is in Vila da Serra, a region that is increasingly becoming a prominent business hub in the state capital of Minas Gerais.

The change was due to the fast pace of the firm's growth and to the goal of improving even more the clients' experience, offering a differentiated and interactive place, aligned to its culture.

The office also has a unit in São Paulo, at JK Iguatemi.
