

# DEMAREST EXPANDS ITS INFRASTRUCTURE PRACTICE GROUP

*Posted on 12 June 2017*

Category: [News](#)

## **Demarest Advogados announces that André Luiz Freire has joined the firm as partner.**

Freire has a master's and doctor's degree in Administrative Law from Pontifícia Universidade Católica de São Paulo - PUC, and L.L.M. from the University of Virginia, in the United States, and a post-doctoral degree from the University of Coimbra, in Portugal.

Additionally, he has 15 years' experience advising companies in the infrastructure sector.

Prior to joining Demarest, Freire was a senior associate at Machado Meyer.
