Dias Carneiro Advogados celebrates its 20th anniversary in 2022

The law firm **Dias Carneiro Advogados**, specializing in advising companies will celebrate its 20th anniversary in 2022. Initially conceived as a Brazilian law firm for a European law firm, Dias Carneiro has an international profile and connections in multiple jurisdictions outside Brazil. Since its founding, it has developed a close network of collaboration with top-tier law firms around the world.

In the last two years, the firm has exceeded its revenue and growth targets reaching the 20-partner mark. Real Estate; Dispute Resolution (Civil Litigation and Arbitration); Technology and Data Protection; Capital Markets and M&A; Tax and Customs; and Labor Law are among the practices that have announced new arrivals and promotions in recent months.

In addition, according to managing partner **Antonio Amendola** (pictured), the firm recently created the Wealth Planning, Family, and Succession department - expanding, once again, the scope of the legal services it offers and the team of specialists.
