## Estudio Echecopar has counselled Consorcio Transmantaro on its 5.200% senior bond issue

Estudio Echecopar, associated with Baker & McKenzie International, has represented Consorcio Transmantaro, as issuer, in connection with the international offering of its 5,200% Senior Notes due 2038 for an aggregate principal amount of US\$500,000,000 under Rule 144A and Regulation S of the U.S. Securities Act of 1933, as amended.

Consortio Transmantaro is the concessionaire of the Mantaro-Socabaya transmission line, responsible for linking the Central-North Interconnected System with the Southern Interconnected System.

Echecopar's team consisted of partners **Alonso Miranda** (pictured top left) and **Inés Vázquez** (pictured top right), together with associates **Adrián Tovar** (pictured bottom left) and **Claudia Cruces** (pictured bottom right).
