FLH Advogados has announced the appointment of **Tiago Espellet Dockhorn** (pictured) as a new partner to strengthen the Tax area.

Tiago has more than 25 years of experience in Tax Law and has worked in renowned national and international law firms, having been a partner at Machado Meyer and Madrona Advogados for more than a decade.

He holds a law degree from the Federal University of Rio Grande do Sul and is a specialist in direct taxation. Tiago has extensive experience in corporate and accounting practices. His practice focuses on Tax advice, corporate reorganisations, M&A transactions, financial products, structuring of foreign investments, Brazilian investments abroad, federal administrative proceedings, as well as estate and succession planning matters.
