Petroperú instructed Miranda & Amado and Clifford Chance while Lazo, De Romaña & CMB Abogados in Peru and White & Case advised the banks.

Petróleos del Perú (Petroperú) is a Peruvian state-owned energy company. Proceeds from the \$2 billion bond offering will be used to finance the modernisation of the Talara refinery.

Goldman Sachs; HSBC Securities, JP Morgan Securities; Merrill Lynch and Citigroup Global Markets acted as underwriters and initial purchasers.

Partners Luis Marcelo De Bernardis and Pablo Sotomayor led the Miranda & Amado advising Petroperú.
