**Gaiofato e Galvão Advogados** created areas of People and Relationship and Quality.

The People area, headed by Chief **Angelo Sordi** (pictured left), will work for the development of the company's human capital, creating and promoting actions that strengthen cooperation among people and enable the identification and strategic valorization of partners and employees individualities.

Chief **Monique Bertelli** (pictured right), as leader of the Relationship and Quality area, will coordinate a complex process of reformulation and subsequent maintenance of the firm's internal structures, while providing technical support to lawyers in their day-to-day tasks and looking after client relations.
