About to celebrate its 10th anniversary, Galdino & Coelho Advogados has introduced a new brand, now called **Galdino & Coelho, Pimenta, Takemi, Ayoub Advogados**.

The partners **Flavio Galdino** and **Sergio Coelho** have been joined by **Rafael Pimenta**, **Eduardo Takemi** and **Luiz Roberto Ayoub**, **Gustavo Salgueiro** and **Diogo Rezende de Almeida**, all equity partners.

The firm sees the formation of the new partners and the updating of its brand as the crowning achievement of a model that, since its foundation, has honored organic growth, invested in the formation of in-house partners, and intensely encouraged the creation of its own culture of service provision.
