**Godke Advogados** announced **Alexander Coelho** (pictured), lawyer specialized in Digital Law and Intellectual Property as its new partner.

Coelho has already worked as a data protection officer as a service for large corporations in Brazil, and will be responsible for the new area in charge of services related to the General Law of Data Protection (LGPD).

The lawyer holds certifications from the International Association of Privacy Professionals (IAPP), such as Certified Information Privacy and Certified Data Protection Officer for the national market. Alexander Coelho is also a member of the Data Protection and Privacy Committee of the São Paulo Chapter of the Brazilian Bar Association.
