Formerly HLL Advogados, now the firm HLL & Pieri Advogados has added the last name of the founding partner Fernando Pieri (pictured), son of the founder Homero Leonardo, on the eve of the celebration of its 35th anniversary.

The change in the name of the firm is an expression of a new phase in the law firm, which has renewed its vision and goals to grow and improve processes, consolidating values and experience.

HLL & Pieri Advogados has formed and maintains partnerships with other offices in Brazil and abroad, thus ensuring the possibility of meeting the requests of its clients, quickly and safely.
