KLA Advogados advised CERPO - Centro de Recuperação de Patologias Oculares Ltda

KLA Advogados acted in the acquisition of 100% of the corporate capital of Clínica de Olhos Comendador Ltda. (Clinoft) by Brasil Olhos and granting to Founders of equity stake in a holding company fully owned by Vision One. With the entrance of Clinoft, Vision One solidifies its leadership on the clinical eye market in the state of São Paulo, with 10 units through the brands: H.Olhos, CERPO, Molinari, Laser Ocular and now, Clinoft. It also coincides with the launch of Vision One's new national project of continued medical education and research called "PENSE" (related to Research, Teaching and Experimentation).

KLA advised CERPO - Centro de Recuperação de Patologias Oculares Ltda. and relied on partner Karin Alvo (pictured) and associates Mainé Bubach and Rafaella Coelho.

BBMM Advogados advised Clinoft.
