The lawyer and professor **Leandro Mello Frota** (pictured), founding partner of Leandro Frota Advogados had his name approved to join the team of arbitrators of CBMA - (Centro Brasileiro de Mediação e Arbitragem) Brazilian Center for Mediation and Arbitration.

CBMA has been working since 2002 with professionalism in the resolution of out-of-court and corporate conflicts. Throughout these 20 years, the existence of an entity such as CBMA in Rio de Janeiro has brought confidence and legal security to investors wishing to do business in Brazil, in line with the best international practices in conflict resolution, such as mediation and arbitration.
