Lefosse has acted as legal counsel to EB Capital in connection with the transaction involving the formation of a joint venture with E1 Energia to develop distributed solar energy generation plants.

The power plants to be developed by the joint venture are expected to generate 300 MWp within the next 3 years. The power will be commercialized to third parties.

Completion of the transaction is subject to satisfaction of certain conditions precedent.

The acquisition is the first investment of EB Capital in sustainable infrastructure and is in line with the strategy to invest in clean energy.

Lefosse team was led by M&A partners, **Carla Gorescu** (pictured top left) and **Gonçalo Capela Godinho**, (pictured top right) with the assistance of associates, Marcella Homsí, Laís de Sousa Lucas, Humberto Brito and Jéssica Ribeiro. The deal also involved energy and tax teams, led respectively by **Pedro Dante** (pictured bottom left) and **Breno Sarpi** (pictured bottom right), and their respective associates Renato Edelstein, Rafaela Canito, Leonardo Balbino and Júlia Katzer.

Gabriela Elian, act as in-house counsel to EB Capital.

R. Amaral Advogados acted as legal counsel to E1 Energia and relied on **Ted Pontes**, Jéssica Dias and Bruno Bandeira.
