**Lefosse** advised the company on its first issuance of simple debentures, not convertible into shares, of the unsecured type, with additional personal guarantee, in a single series, for public distribution with restricted efforts, by **Empresa Litorânea de Transmissão de Energia** - ELTE.

The additional personal guarantee was provided by Alupar Investimento

The net resources raised by Empresa Litorânea de Transmissão de Energia – ELTE through the issuance of debentures will be used for the implementation of the project that encompasses transmission lines and substations, as well as for general uses of Empresa Litorânea de Transmissão de Energia – ELTE.

Lefosse advised the issuer and relied on partner **Ricardo Prado** (pictured left) and lawyers Lucas Padilha and Vitória Masson.

**Machado Meyer Advogados** has acted as legal counsel of **Banco Itaú BBA** and relied on partner **Gustavo Secaf Rebello** (pictured right), lawyers Ralff Barilli and Alexandra Menescal Tupper Palhares.
