**Loria e Kalansky Advogados** announced the expansion of the firm with the arrival of its new partner **Felipe Vieira** (pictured), for the newly inaugurated international asset recovery area, which has the support of a network of professionals located all over the globe.

Felipe Vieira has more than 15 years of experience in complex cases, having worked in several transnational insolvency procedures and in the elaboration and execution of a global strategy for the recovery of misappropriated and/or hidden assets through onshore/offshore structures. Felipe Vieira has a Post-Graduate in Procedural Law (IBDP), Post-Graduate in Business Law (UEL), Master of Laws (LLM) in Corporate Law (INSPER), and is a member of the Judicial Recovery and Bankruptcy Committee of the OAB/SP, guest professor at TMA – Turnaround Management Association, speaker at national and international events and author of articles in the field of international insolvency.
