Machado Meyer Advogados advised **CCR RodoAnel**; **Tauil & Chequer Advogados in association with Mayer Brown** advised **BTG Pactual** on the public offering of incentivized debentures, under the terms of Law 12.431/11, issued by CCR RodoAnel, in the total amount of R\$ 410 million.

The funds will be used to reimburse costs, expenses or debts and future investments in the Highway System comprising the state highway network of the western stretch of the Mário Covas Rodoanel, which connects the metropolitan region of São Paulo to the Bandeirantes, Anhanguera, Castelo Branco and Raposo Tavares highways.

Machado Meyer advised CCR and relied on partner **Adriano Schnur** (pictured top left), **Paulo Markossian Nunes** (pictured top right), lawyer Vitor Pisarro Bradley de Araujo.

Tauil e Chequer was led by partners **Luis Montes** (picture bottom left) and **Carlos Motta** (pictured bottom right); associates Thatiana Siqueira and Giuliana Torelli.
