Mattos Filho advised BW Energy on the acquisition of Golfinho and Camarupim Clusters from Petrobras for up to USD 75 million.

The transaction involved the acquisition of 100% of Petrobras' participating interest in such clusters, including pipelines and other infrastructure, as well as 65% of Petrobras' participating interest in Block BM-ES-23.

Mattos Filho relied on partners (in the image from left to right) **Giovani Loss, Bruno Rodrigues Chedid, Marcio Soares, Antonio Augusto Rebello Reis, Nilton Gomes de Mattos Neto, Leonardo Homsy** and associates Rafael Eyer Pitanga de Freitas Lopes, Iasmim Lisbôa de Carvalho, Rafael do Nascimento Fernandes Bessa, Paulo César Luciano Junior, Paula Camara Baptista de Oliveira, Andressa Furtado de Castro Silva, Thamires de Oliveira Loduca and Gabriel Acciarito Ferreira.
