Mattos Filho has opened a new office in Brasília, located in the city's Southern Commercial Sector. The new address will accommodate a larger number of professionals - the firm's number of employees has grown 130% in the past six years alone.

The new office employs the concept of intelligent office, with open spaces that prioritize coordinated work, collaboration and coexistence. With more than 1,700m² of area, it has several different social spaces, such as lounges and cafes, besides meeting rooms of different sizes and an internal auditorium.

The following partners are based in Brasília and work in several different areas (pictured to left from right): **Adriano Drummond Trindade** - Infrastructure & Energy; **Ariane Guimarães** - Government & Tax Relations; **Eduardo Frade** - Antitrust & Corporate Investigations; **Marici Giannico** - Litigation & Arbitration; **Rafael Caetano de Oliveira** - Labor & Employment and Executive Compensation; **Thiago Sombra** - Compliance & Corporate Ethics, Data Protection & Cybersecurity, Technology, Innovation & Digital Business, Administrative Law and Infrastructure & Energy.
