**Mattos Filho** has announced that eight senior associates have been promoted to partnership. The new partners work across twelve of the firm's legal areas: Agribusiness Law, Antitrust, Education, ESG, Finance, Capital Markets, Corporate/M&A, Infrastructure & Energy, Administrative Law, Labor & Employment, Executive Compensation and Tax.

The promotion of these professionals comes in consideration of emerging market trends and is in line with the firm's long-term vision and strategy for growth. It also reflects Mattos Filho's commitment to developing and creating opportunities for its professional talent.

With the firm's partner count now rising to 140, the new partners are established in areas with good prospects for growth and are set to strengthen the firm's full-service model. The new partners are listed below in alphabetical order:
