Pinheiro Neto acted as deal counsel on the transaction involving a block trade of **Multiplan** shares held by **OTTP**, with a value of approximately BRL 1.2 billion.

Given the scale of the transaction, Pinheiro Neto also advised on the negotiation for hiring Goldman Sachs to execute the block trade services. Goldman Sachs acted as financial advisor and broker dealer.

Pinheiro Neto Advogados relied on partners **Guilherme Sampaio Monteiro** (pictured left), **Jorge F. Lopes** (pictured right), senior associate Gustavo Ferrari Chauffaille, associates Taisa Sani and Rafael Machado Pizzignacco.
