Philippi Prietocarrizosa Ferrero DU & Uría has represented Builder Commerce in its financing process through its second round of capital raising.

The transaction was closed on 16 August.

This restructuring will allow Builder Commerce to obtain financing to consolidate its position in the Chilean market, in addition to expanding the company into new Latin American markets, such as Peru and Colombia.

PPU's team consisted of principal associate **Nicolás Santana** (pictured left) and associate **Matías Fernández** (pictured right).
