Estudio Muñiz strengthens its Labour and Social Security area by incorporating Rocío Saux as partner

Peruvian law firm Estudio Muñiz has announced the incorporation of **Rocío Saux Valdez** (pictured) as a partner in the Labour and Social Security area.

Rocío holds a Law Degree from the Pontificia Universidad Católica del Perú, and a Master's Degree in Business Administration and Management from the Babson F.W. Olin Graduate School of Business. Prior to joining the firm, she was responsible for legal affairs at Grupo Sarfaty; associate, and later senior associate and partner in the area of labour relations at Lazo & De Romaña Abogados. She has more than 10 years of experience in labour management, in addition to advising private companies and national and foreign economic groups in the financial, industrial, retail, real estate, health, education, transport, services, among others.
