Alexei Vivan (pictured), partner of **Schmidt Valois Advogados** and President Director of the Brazilian Association of Electric Power Companies (ABCE), was elected 1st Vice President of the Energy Industry Union of the State of São Paulo (SindiEnergia) for the term 2022/2025.

A specialist in energy issues, the lawyer assumes executive functions at SindiEnergia, which promotes initiatives to generate value and strengthen the sector, in addition to representing the collective and individual interests of energy industry agents in the state of São Paulo before administrative and judicial authorities.
