SiqueiraCastro has bolstered its environmental and sustainability practice by hiring Annelise Abi-Ramia Ferreras (pictured), who becomes part of the firm partners starting this week. With 20 years of experience in this field in renowned national and multinational companies, Mrs. Ferreras acts on Environmental Law consultative and litigation in the administrative and judicial spheres.

Annelise Ferreras has a bachelor's degree in Law from the Universidade Federal do Rio de Janeiro (UFRJ) and a postgraduate degree in Corporate Logistic by Institute for Business Administration Research from UFRJ (COPPEAD). At UFRJ, Mrs. Ferreras attended an MBA in Environmental Management at Alberto Luiz Coimbra Institute for Engineering Research (COPPE). She also counts on a second post-graduation in Environmental Law by Pontifícia Universidade Católica do Rio de Janeiro (PUC-RJ).

Before joins SiqueiraCastro, the new partner built a solid career on companies like BRK Ambiental, Grupo AES and Grupo Ipiranga.
