Stocche Forbes advised New Fortress Energy and Ebrasil Energia on the sale of 100% of the capital stock of CELSE and CEBARRA to Eneva.

CELSEPAR - Centrais Elétricas de Sergipe Participações is one of the largest gas-fired thermoelectric plants in operation in Latin America.

CEBARRA - Centrais Elétricas Barra dos Coqueiros, holds expansion rights adjacent to the Sergipe plant.

Stocche Forbes Advogados relied on partner **Guilherme Forbes** (pictured left), together with Emilio Gallucci, Rafael Bresciani, Gabriel Soares Brito, Alexandre Porto, Paulo Pinese, Giovanna Penna de Azevedo, Júlia Guerra Amaral and Pedro Sergio Souza.

Milbank also advised the same parties and had a team formed by Dean Sattler, Victor Zhao, Alexander Shapos, Alex Wang and Guilherme Maranhão.

BMA - Barbosa, Müssnich Aragão Advogados also advised Ebrasil on this transaction. The firm's partners were **Miguel Ramos** (pictured center) and associate Henrique Rivas.

Campos Mello Advogados advised Eneva with the participation of **Fabiano Gallo** (pictured right) Silvia Helena Bernaldo, Oduvaldo Lara Júnior, Anna Luiza Piragibe and Lucas Bernabé.
