Category: [News](#)

Philippi Prietocarrizosa Ferrero DU & Uría advised Tanner, the Chilean financial services company, on the issuance of \$80 million worth of short-term debt instruments.

Tanner is a financial services company founded in 1924, it focuses on factoring, leasing, car finance and other services.

The transactions involved the issuance and registration of a line of short term debt instruments of 10 years term for \$80 million.

Partner Federico Grebe led the PPU team advising Tanner.
