Tauil & Chequer Advogados associated with Mayer Brown advised **BTG Pactual** in a minority investment in **Systemica**, a company that operates in the structuring, development and implementation of projects for the generation of carbon credits and other environmental assets with the objective of reducing greenhouse gas (GHG) emissions, as well as in the marketing of such environmental assets.

The Tauil & Chequer team was led by partners **Bruno Salzano** (pictured left) and **Luiz Gustavo Bezerra** (pictured right), as well as associate Maurício Veiga, and included the work of associates Caio Missagia and Victor Rodrigues.

RSA Advogados advised Systemica.
