TozziniFreire Advogados advised **Octante and Pac Logística**, in the first issue of Certificates of Receivables (CR) in a single series, for public offering with restricted distribution efforts, as per rules.

The value of the transaction is R\$ 35 million. The funds raised by the RC were used to develop Pac Logística's investments in the Navegantes cargo terminal, located in the Brazilian state of Santa Catarina, as well as to increase Pac Logística's working capital.

This was the first RC issued by Octante and one of the first in the market since the new Securitization Law.

Tozzini Freire advised Octante Securitizadora and Pac Logística e Hangaragem and relied on partners **Alexei Bonamin** (pictured left), **Ricardo Stuber** (pictured right), associates Bianca Peuker, Valnan Claret, Júlia Oliveira Viana.
