On its way to its 50th anniversary, **TozziniFreire Advogados** stands out when the subject is innovation and inclusion, non-negotiable values for the firm, according to managing partner **Fernando Serec** (pictured).

The firm, which operates in 55 areas of business law, 25 industry groups and four international desks, relies on the expertise of Managing Partner Serec, who, in addition to being TozziniFreire's CEO, is responsible for the Litigation and Arbitration areas.

His professional experience involves work in Brazil, the USA and Europe, and is part of the firm's history.
