Pinheiro Neto advised the buyer; **Azevedo Sette Advogados** advised the seller on the sale of 100% of the equity interest of **Quiver** to **Dimensa**, a leader in technology and infrastructure for financial operations, and a company invested by B3 and controlled by Totvs, a Brazilian leader in management software, with operations also in other regions across Latin America.

Founded in 1992, Quiver provides technological solutions to major players in the insurance market in Brazil, including brokers, insurers, banks, among others. Currently, the company holds 36% of the total processing of premiums generated by insurance brokers in Brazil and has more than 7 million policyholders within its solutions and more than 10 million active policies registered in its systems.

Pinheiro Neto advised Dimensa and relied on partner **João Marcelo Pacheco** (pictured left); counsel Renato Holsback, and associates Renato Holsback, Luiza Kaus Alarcon, Analy Leal Moura.

Azevedo Sette advised Quiver and relied on led partner **André de Godoy Fernandes** (pictured right); partners **Luiz Eduardo Salles, Danielle Cavalcante, Juliana Hansen**; associates Maira Sampaio Cavalcanti; Rodolfo Isper Favaretto, Fabio Capelletti.
