Veirano Advogados advised Bunge and UPL (through its subsidiary Advanta Seeds) entered into an agreement to acquire 40% of SEEDCORP|HO (20% each).

SEEDCORP/HO is a soybean genetics company with operations in Brazil, Paraguay, Uruguay and Argentina. The transaction, whose estimated value was not disclosed, will have to be approved by the Administrative Council for Economic Defense (Cade).

Veirano Advogados advised Bunge and UPL Groups (Brazil) and relied on partners (pictured from left to right) **Ricardo C. Veirano, Daniel Malatesta, Luis Felipe Aguiar de Andrade, Alberto Monteiro**; associates Pedro Salgueiro Figueiredo, Carolina Figueiredo Tamm Villela, Nathalia Souza Patrizzi and trainee Fernando Calado.

Ferrere Abogados represented the same parties (Uruguay) and relied on partner **Santiago Fontana** and associates Clara Porro, Alejandro Alterwain and Rosina Canziani.

Castro Barros Advogados represented the sellers (Brazil), and relied on partner **Helen Valente Figurelli**, associate Guilherme Santos.
