Viseu Advogados announced a new area of "Market Relations", which will be headed by partner Ricardo Motta

Viseu Advogados announced the launch of its new "Market Relations" department, which will be headed by partner **Ricardo Motta** (pictured), who already worked for the firm.

The choice of Ricardo Motta, who arrived at Viseu Advogados in 2009 to create the Consumer area, was immediately embraced by the partners. For him, the development of an area dedicated to Market Relationship is an important move within the strategy of strengthening and longevity of partnerships with clients.
