

# WHITE & CASE INSTRUCTED ON \$400 MILLION ROAD PROJECT IN PERU

*Posted on 10 February 2016*

Category: [News](#)

## **White & Case has advised on the long-term project financing for an 875 km toll road project in Peru.**

The financing will cover the development, construction, operation and maintenance of the road, Longitudinal de La Sierra – Tramo 2. In addition to constructing new roads, the project also requires the rehabilitation and maintenance of existing ones.

The project's sponsors are SACYR Concesiones, SACYR Concesiones Perú and Constructora Málaga Hnos.

Partners Carlos Viana and Fernando de la Hoz led the White & Case team.
